TLIA107C Secure cargo

Description

This unit involves the skills and knowledge required to secure cargo including preparing to secure cargo/containers, lashing and unlash cargo, protecting cargo from weather, and packing and unpacking cargo. It may apply in cargo securing contexts in the stevedoring, transport, distribution and allied industries.

Application of Unit

Work must be carried out in compliance with the relevant regulations and workplace requirements concerning the securing of cargo.

Work is performed under some supervision generally within a team environment. It involves the application of workplace procedures and regulatory requirements to the securing of cargo as part of work activities in the stevedoring, transport, distribution and allied industries.

Outcomes

Successful candidates will be given the opportunity to widen their skills and recognise safer and more proficiency in loading and unloading operations in the workplace. Successful candidates will be awarded a nationally recognised Statement of Attainment outlining the competencies assessed and completed.
