## Offer the following unit of competency

Link to: <http://www.ntis.gov.au/Default.aspx?trainingpackage/TLI07/unit/TLIC3607B>

## TLIC3607B Apply safe car driving behaviours

### Description

This unit involves the high-level safe driving skills and knowledge required by car drivers to enable them to apply safe driving behaviours. This includes higher order skills, such as hazard perception, risk control and safe driving judgement, decision making and multi-tasking. Licensing, legislative, regulatory or certification requirements are applicable to this unit.

### Application of Unit

This unit is required by car driving instructors and covers higher order car driving skills and knowledge that build upon basic driver licence requirements.

Safe car driving behaviours must be able to be applied without supervision. This involves the application of higher order car driving skills, such as hazard perception, judgement, decision making, multi-tasking, risk control and safe driving attitudes across a range of vehicles and driving situations.

Definition of a vehicle (car class C) in this context is 'vehicle equal to or less than 4.5 tonnes GVM and seating up to 12 adults, including driver'.

### Outcomes

Successful candidates will be given the opportunity to increase their skills and recognise safer and more proficient driving of a car. Successful candidates will be awarded a nationally recognised Statement of Attainment outlining the competencies assessed and completed.
