Link to: <http://www.ntis.gov.au/Default.aspx?trainingpackage/TLI07/unit/TLID2707D>

DESCRIPTION

This unit involves the skills and knowledge required to prepare for the transport of dangerous goods, including checking the dangerous goods load; assessing vehicle suitability to transport the intended load; checking emergency procedures and equipment; evaluating documented route plan; and completing required assessment process. Licensing, legislative, regulatory or certification requirements are applicable to this unit.

Application Of Unit

Work must be carried out in compliance with the relevant state/territory regulations concerning the transport of dangerous goods and includes the current Australian Dangerous Goods (ADG) Code.

Work is performed under general supervision. It involves the application of basic principles, routine procedures and regulatory requirements to the preparation of dangerous goods for transport.

Outcomes

Successful candidates will be given the opportunity to widen their skills and be recognised in contributing to safer, higher and more proficient operations in dangerous goods driving in the workplace. Successful candidates will be awarded a Statement of Attainment outlining the competencies assessed and completed. This unit can demonstrate the additional skills required after dangerous goods licence courses required by the licensing authorities.
