TLID3307C Operate a vehicle-mounted loading crane

Description

This unit involves the skills and knowledge required to operate a vehicle-mounted loading crane to shift loads, including positioning and stabilising the crane, operating the vehicle-mounted crane, monitoring lift conditions, packing up the crane after operations, and completing all required job records.

Application of Unit

Work must be carried out in compliance with the licence/permit requirements and regulations of the relevant state/territory authorities pertaining to vehicle-mounted loading cranes.

Work is performed under general supervision. It involves the application of routine principles and procedures to the operation of a vehicle-mounted loading crane in a variety of operational contexts.

Outcomes

Successful candidates will be given the opportunity to widen their skills and recognise safer and more proficiency in operating a vehicle-mounted loading crane safely in the workplace. Successful candidates will be awarded a nationally recognised Statement of Attainment outlining the competencies assessed and completed.
